

Granada – Priego de Córdoba

1. Going out of Granada taking the road N-432 direction to Córdoba.
2. Taking the roads which passes through Pinos Puente and Puerto Lope up to the ring road of Alcalá la Real, where it is necessary to take the exit to Priego de Córdoba (road A-339).
3. Being on the road A-339, go towards Las Caserías and Almedinilla, coming finally to Priego de Córdoba.

Taking into account:

- a) The roads that passes through Pinos Puentes and Puerto Lope.
- b) The proximities of the ring road of Alcalá la Real.
- c) The several shady curves of Almedinilla.
- d) The vaious crossings all along the road.
- e) It is not necessary to go into the city of Alcalá la Real, its ring road has one exit direction to Priego de Córdoba.
- f) Being already at Priego´s municipal term, there are four possible incomes to accede to the urban core, the second and the forth are the most recommendable ones.
- g) To enjoy the landscape of: El Castillo de la Mota and its watchtowers in Alcalá la Real, Almedinilla and its Roman Villa next to the road and La Sierra de Albayate, which is located between Priego and Almedinilla

Distance: 80 km approximately.

Have a nice trip and remember not to run so hard.
